Quotation Terms & Conditions

- 1.General: Purchase orders are to be addressed to Valve Distributors Pty Ltd. The "Valve Distributors Pty Limited - Terms & Conditions of Trade" apply as per attached.
- 2.Prices: Quoted in Australian Dollars AU\$ nett each and exclude GST, which will be added to the total of your invoice. Furthermore, prices are based on the quantities stated in this offer. We reserve the right therefore, to requote against any variation in the materials, sizes, delivery times and/or quantities required.
- 3.Validity: 30 days from the date of quotation.
- 4.GST: All prices quoted are exclusive of GST.
- 5.Exchange Rate Variation: This quote is based on the foreign exchange rates on the date of quotation. Should these rate vary in excess of 5%at time of order we reserve the right to alter our pricing accordingly..
- 6.Delivery Time: Lead times are in working weeks from receipt of a purchase order excluding public holidays.
- 7.Delivery: Delivery times quoted in good faith based on current manufacturing commitments and component stocks/scheduled arrivals. Whilst we give delivery estimates in the best of faith, delays sometimes occur which are out with our control such as, but not restricted to, freight delays awaiting loading at port or airport, delayed sailing schedules, quarantine or inspection by Customs at origin or destination. Delivery terms used bear the meaning contained in Incoterms 2010.
- 8.Delivery Method: Incoterm FCA Ex-our warehouse Rouse Hill, NSW – buyer to nominate freight forwarder, account number and type of freight service. Alternatively upon request we can organise freight via our nominated courier and charged at cost, calculated according to the Kgs of cargo, method of freight service and delivery address destination.
- 9.Terms of Payment: Net 30 days from the date of invoice for established Account holders only. If you do not have an account, full payment is required at the time of order placement unless otherwise agreed. We accept payment by Mastercard and Visa - additional 2% fee applies for all payments made by Credit Card.
- 10.Order changes/additions: Should there be a requirement to change or to add items in that order, there may be both delivery & price adder impact.
- 11.Cancellations>Returns: Click link for copy: <https://www.valvedistributors.com.au/wp-content/uploads/2022/05/cancellationpolicy.pdf>
12. Inspection and Testing: No allowance has been made for Third Party charges and witness inspection, specific test requirements, design review and related services. If any of these services are required, please let us know during the quotation stage as additional charges may apply.
13. Liquidated damages: In our standard quotes, liquidated damages are not taken into consideration and will therefore not be accepted in the event of order placement unless otherwise stated.
14. Documentation: Can be supplied at extra charge. Please clearly state this requirement during the quotation stage. Any documentation that is requested after the issue of a purchase order will be invoiced as a variation.

15. Certification: Upon request only steel valves can be supplied material & test certificates in accordance with EN10204.3.1 for pressure containing components only, with the exception of Bronze and Cast Iron valves which will be certified to BSEN10204.2.1- Letter of Conformity.

16. Escalation: Prices contained in this quotation are valid only for the quantities stated and are based on costs of raw materials in effect at the date of this proposal. Valve Distributors reserves the right at issuance of a purchase order to adjust pricing herein; (i) due to changes in quantity; and/or (ii) due to increases in exchange rate greater than 5%; and/or (iii) in response to raw material price increases equal to or greater than 10% as posted by London Metals Exchange (LME) at <http://www.lme.co.uk>

17. Retention of Title: Any goods Purchased remains with "Valve Distributors Pty Ltd" until payment has been made in full, whilst risk passes on dispatch.

18. Quantity: We have calculated the unit price of the goods according to the import charges and freight costs for the quantities specified in your enquiry. Any subsequent change to these quantities must be stated in writing, will require the final unit price to be recalculated at which time we will issue you with a revised quotation.

19. Description: It is the responsibility of the buyer to ensure that the goods offered are suitable for the duty intended as valve selection and/or acceptance of this offer is the user's responsibility.

20. Warranty: All products supplied are warranted against defects of material or workmanship for a period of 18 months from the date of despatch or 12 months from commissioning, whichever is sooner, when used within the design ratings for which they are designed. This warranty is limited to replacement, without charge, of parts found by us to be defective in material or workmanship and does not extend to claims for labor, expenses or other loss or damage occasioned by such defect. Valve Distributors liability to the purchaser, except as to title arising out of the supplying of said equipment or its use, whether based upon warranty, contract, strict liability, or negligence, shall not exceed the cost of correcting defects in the equipment as herein provided, and shall terminate upon expiration. This warranty does not cover incompatibility of material with process fluid, deterioration by corrosion, erosion or any cause of failure other than defect in material or workmanship. Valve Distributors Pty Ltd makes no other warranties whatsoever, specifically disclaims any legally implied warranties of merchantability and fitness. It is the responsibility of the buyer to ensure that the Valve specification offered is suitable for the intended duty, as acceptance of this offer is entirely the user's responsibility. It is the responsibility of the buyer to ensure conformance of the Manufacturer Installation, Operating & Maintenance instructions including storage recommendations. Manufacturer IOM's are available on Valve Distributors website or upon request. Warranty is deemed to be invalid due to misuse, wilful damage, inappropriate handling, negligence, alterations including dismantling, abnormal use outside its design pressure and temperature ratings. Warranty does not extend in any way to parts, material or equipment not manufactured by the OEM.

21. OH&S & QA: Valve Distributors are a sales & distribution business only, not a manufacturing facility. As such we are not accredited to ISO9001, ISO14001, AS/NZS 4360 or AS/NZS 4804 standards nor is it viable to be so. However, the manufacturer(s) we recommend in this offer operates a management system and is/are accredited in accordance with Design, Manufacturing & Testing Standards: ISO 9001: 2015 EN IQNet, API Spec Q1 and API 6D, CE-PED 2014/68/EU, SIL 2/3
